Re: **Report on District Activities Related to Camp Fire Recovery.**

### **ISSUE:**

The Air Pollution Control Officer will brief the Board regarding the District's involvement in response to the Camp Fire recovery efforts.

### **ACTION REQUESTED:**

None. This item is provided for information and discussion.

### **DISCUSSION:**

During the last month, District staff have been involved with the following activities related to the Camp Fire recovery efforts:

- Participated in Debris Removal Task Force status calls with local, state and federal agencies until they were discontinued earlier this month;
- Provided comments on the Debris Removal Operations Plan (DROP);
- Attended Debris Removal Community meeting in Oroville;
- Met with staff from the Debris Removal Operations Center regarding the community air monitoring requirements of the DROP and provided comments as appropriate;
- Outreach on permitting requirements for concrete recycling activities;
- Fielded calls from the public regarding air quality concerns;
- District Hearing Board granted a Stipulated Order of Abatement to provide an alternative compliance demonstration for impacted sources that lost records and cannot comply with Permit to Operate record keeping and submittal conditions and District staff provided outreach to identified facilities;
- District staff attendance and participation in the recent Air & Waste Management Conference "Impacts of Wildfires on Air Quality and Health".
